

Merry Christmas! Welcome to our very first Newsletter for our ministry of evangelism. Since surrendering to preach the Gospel of Jesus Christ on November 9, 2008 The Lord has taught us valuable lessons, and brought us through many dangers, toils and snares. Since surrendering to evangelism on March 12, 2016, The Lord has steadily expanded our territory. Speaking of that...

BIG NEWS!! Our good friend, Pastor Scott Thomas from Pine Ridge Baptist in Dallas, GA has invited us to be the featured evangelist on the **Word Christian Broadcasting Network** for the month of December. The Network consists of three radio stations based all over west Georgia as well as a streaming presence online so you can listen anywhere in the world via the internet. The 30-minute preaching broadcasts will be each Wednesday in the month of December. So far, the first two messages will come from Revival services at Bethlehem Baptist church in Boaz, AL.

This is answer to specific prayer. Make sure to visit the website listed below for programing times and more information regarding this wonderful Christian radio resource.

Our family has enjoyed travelling to preach and sing in Georgia, Alabama, and Florida this year but the Lord opened another opportunity back in April. Our old friend, Les Butler, invited me to fill in as lead singer for the award winning Old Time Preachers Quartet when Lee McNeil,

Pastor of Rural Point BC in Mechanicsville, VA, needs to attend to pastoral duties. To say I am honored is an understatement. We have been able to travel to Tennessee, Mississippi, Arkansas, West Virginia, Georgia, Alabama, and Oklahoma since then. We have several dates already booked in 2018 to sing and preach so check out the group website and come see us when we are in your area.

We still have open dates available to preach and sing in 2018. If we can serve your church or ministry we ask that you prayerfully consider us for the following times:

February 25th
March and April are open
May 6th, 13th, 27th
June 3rd & 24th

We are excited about seeing the fruit of several labors of love that we have in the works for 2018 including a devotional book, a music CD from our family, a preaching podcast, and expanding our online devotional studies. We are also praying about possible mission's efforts that we can participate in and support. Let me tell you about one that the Lord laid on my heart in recent weeks.

Our home church, Wahoo BC in Murrayville, GA, helps to host the ***Power of Two youth camps*** in July of each year. Our pastor, Mark Stroud and Evangelist Duane Moore partner to lead these life changing youth camps for Juniors and Teens respectively. After praying for something that we could do to be an extra blessing for this camp, the Lord laid it on my heart to raise funds to buy new bunk mattresses for the campers to rest on. Hundreds of young people agree to adhere to the standards that the camp requires when, as Brother Mark says, *“If we just gave a few inches of compromise we would have an even bigger crowd.”* Well, I propose that those young people deserve a few inches of mattress padding to reward them for investing in their spiritual lives at the PO2 camps. We are going to raise funds to buy approximately 325 new mattress pads which will cost around \$50-60 each and a storage pod to keep them weather-tight during the rest of the year. Please pray about buying a mattress for a young person. If you would like to contribute please message me through Facebook or Messenger, email me at broadamb@gmail.com or call / text me at 615-785-5682.

2017 has been a blessed year for our family. We have seen souls saved, lives changed, saints encouraged and challenged, and the Gospel of the Lord Jesus Christ proclaimed in many places outside of our home in North Georgia. Angel, Abigail, and Adelyn have blessed me so much with their desire to sing. Everywhere I have been to preach this year we have been able to sing. Abigail and

Adelyn have been taking piano lessons from Stephen Butler in Winder, GA and have steadily grown in their talents. It sure helps this preacher to have good music to lead right into preaching time.

Another special experience we were blessed to be a part of back in September was a reunion of our Gold City crew at the Quartet Convention in Pigeon Forge. As Tim Riley sang *Under Control* the Holy Ghost showed me that through all of the changes of the last 12 years, He indeed had it all *Under Control*. That night was just like stepping on stage 20 years ago. It was great to strap on the bass one more time and make great music with my dear friends. BUT, preaching for my Lord has far exceeded any dreams that I ever had in the music business. I treasure those men and I am thankful for all those years but I would not go back for any amount of money.

PLEASE PRAY!

There is nothing that we need more than prayer. Pray for...

- Open doors to Preach and Sing
- Discernment on Missions Efforts
- Our Local Church, Wahoo Baptist Church
- Reliable Transportation VERY SOON!
- PO2 Camp Bunk Mattress Offering
- Favor in Book Writing/Publishing, Music Recording and Preaching Podcast
- Following the Lord toward full-time evangelism

God Bless You!!
