January 2018 Newsletter

Happy New Year! Welcome to our first Newsletter for 2018. Our hope and prayer is that this Christmas season was filled with wonder as we beheld the Babe of Bethlehem who would become the Christ of the Cross. Hopefully you have avoided the wicked-viral-flu-crud which swept through our house like Grant through Richmond. Only Adelyn has made it through with just a slight cough for a few days. She has been a blessing as our little nurse.

We are approaching 2018 with intent prayer regarding several ministry goals. The top of our prayer list is for the Lord to bring calls for preaching appointments. We are also praying for discernment regarding becoming involved in a Bible distribution effort and a possible mission trip by the end of the year. As we wait upon the Lord we are striving to minister to others, prepare our written works for publication, and other outreach efforts we are preparing for.

One such hearts' desire is our intention to launch a preaching podcast as soon as possible. I view this growing format as the old-time radio program of the future along the lines of what Oliver B Greene, Maze Jackson and J. Vernon McGee did years ago. It is a very cost effective and wide-reaching avenue for proclaiming what thus saith the Lord so the Holy Spirit can do His work of instruction and conviction unto salvation. Pray for this effort and stay tuned for the upcoming podcasts.

Another effort we are heading up currently is a fundraiser to purchase new mattress pads for the Power Of 2 Youth camps led by our pastor, Mark Stroud and evangelist Duane Moore. Scores of young people have been saved, called to missions, many young men have been called to preach, and the Lord has simply changed lives through the Power of 2 Camps. Our evangelistic ministry is attempting to raise funds to purchase 325 replacement mattress pads (cost around \$50 each) and a weather tight storage container (cost around \$2000). Help us pray for success in this effort and prayerfully consider an offering of your own toward this effort.

We have the following Sunday's open in the coming months.
